

## Project – Two–Storey Extension to Existing Sports Building (£1.5M)

Michael Jones & Associates LLP appointed on a Full Design and Monitoring duties role to provide Mechanical and Electrical consultancy services. The project consisted of a new two–storey extension to the existing sports building, including a multi–use gym and support facilities, along with refurbishment of existing changing rooms and entrance reception.

Provision of new mechanical and electrical services including VRF cooling, heat recovery ventilation, panic alarm installations, Gym equipment power, lighting services and leisure management installations.

Also, linked to this project Michael Jones & Associates LLP were involved with trouble–shooting existing swimming pool ventilation installation, including remedial design modifications.
