

Project – Extensions to Existing Primary School Buildings (£0.5M)

Michael Jones & Associates LLP appointed on a Full Design and Monitoring duties role to provide Mechanical and Electrical consultancy services. The project involved various extensions to the existing primary school buildings over seven phases to suit the academic calendar.

Provision of new mechanical and electrical services include extension, modifications of existing services including remodelling and refurbishment of existing classrooms and the construction of a new Art Room on the flat roof of the existing school.

Client: Micklefield School, Surrey, **Architect:** BPG Architects, **Structural Engineer:** BG Consulting, **Quantity Surveyor:** BPG Architects
